Dear Lake County Voter:

The Lake County Clerk's office is pleased to provide this *Voter Information Guide* listing all the candidates and referenda for the February 2, 2010 General Primary Election. This guide includes a list of all early voting sites on the back page. The guide lists Election Day voting sites by township and precinct number. You may take this guide into the voting booth with you.

Our Web site has been redesigned to make more information accessible with one click. Visit LakeCountyClerk.info and click on the Voter Power link to confirm you are registered to vote, see your districts and elected officials, preview your official ballot and to find your early voting or Election Day voting site. You can also submit a one-time request for a ballot by mail or enroll in a convenient Voting by Mail Program. We now offer a ballot tracking option so you can be sure your ballot by mail is received in our office.

We encourage you to take advantage of the option for any voter to vote by mail or to vote early in person beginning 22 days prior to Election Day. Early voting for the February election begins January 11 and ends January 28 (sites on the back page of guide). All early and Election Day voting sites in Lake County offer ADA accessible-voter assist terminals which mark the ballot for the voter in private.

When you register, and periodically thereafter, our office mails you a Voter's Certificate of Registration card listing federal, state, and local districts for which you are entitled to vote. County and statewide offices common to all Lake County voters are not listed on the cards. While you do not need to present this card in order to vote, it provides helpful information. Refer to the local voting districts on your card to find the corresponding candidates and public questions in this guide which are applicable to you. If you cannot locate your Voter's Certificate of Registration card, call us at (847) 377-2410 to request a new card.

Only persons who are registered to vote in Lake County may vote in county elections. If you moved to Lake County and did not register here, you will not be able to vote on February 2. Election judges use "decision technology" on laptop computers in each voting site on Election Day to ensure every registered voter with special circumstances is processed correctly.

All of us in the County Clerk's office are dedicated to providing you the best possible service. Please do not hesitate to call us at (847) 377-2400, or use our TTY/TDD service at (847) 377-2022 if you have questions or need clarification about the voting process. You can visit us day or night at LakeCountyClerk.info and we appreciate your feedback on how we can better serve you on our webpages.

Very truly yours,

Willard R. Helander
Lake County Clerk
